

Station : **NEWPORT**

Area : **ISLE OF WIGHT**

Department : **LICENSING**

Date : **01 June 2015**

Subject : **The Beach Shack, Esplanade, Sandown**

Sir,

The police licensing department has no objections to the current application submitted by Mr. Orr, the licence holder of the Beach Shack.

Granting the opening times which have been applied for would mean a slight extension into the night time economy period on Friday and Saturday only. The licence holder has stated that he intends to operate a food led venue serving Tapas and seafood with accompanying music. This type of venue and activity has not historically attracted issues of crime and disorder and there is no evidence to suggest that it will do at this premise.

To support this belief it should be noted that police records show only 3 incidents having been linked to the premises since 2009. These have been minor in nature consisting of 2 thefts and a criminal damage. The time ranges of these incidents indicate that they have taken place overnight when the premise was closed. There have been no reported incidents of assault, public order or anti social behaviour which have emanated from this licensed premise.

Respectfully submitted for your consideration,

P.C. 3007 Bradley.
Police Licensing Dept.
