Reasons for comment: - Crime - Nuisance - Safety

Comments: 12:33 PM on 22 Aug 2018 Currently open until 9p.m. extending hours until 5 a.m. when late night alcohol consumption and potential substance abuse is most evident resulting in alcohol accelerated aggression. Less than 20 metres from the spot where a man lost his life less than 2 years ago, under just such circumstances. Closing a window will do no more than exacerbate a conflict, boiling over on the street outside. CCTV coverage already on Newport streets, does little to ameliorate aggressive behaviour. Business is in a mixed usage area. All adjacent properties (86 - 92) have occupied residential accommodation above the businesses. 2 years ago planners granted application to develop 3 - 4 residential units next door to this business, with rear aspect backing onto rear entrance/kitchen. The granting of this application could create a potential melting pot of violence and unrest as revellers leave SIA monitored premises to make their way home. This does nothing to expedite their journey SAFELY home.

Proposal: New Premises Licence

Comments: For and on behalf of the Highway Authority, and with regard to our network management duty, I can confirm that I have concerns over the proposals for a late night food server, with no public access to the premises at night, but via a serving hatch out onto the footway.

The footway narrows at this location and if any significant number of persons gathered in the area to purchase food,

this may lead to litter and spillages of food and/or packaging on the footway, creating pedestrian slip hazards on the highway.

The front of the premises is not covered by direct CCTV observation, and any disturbances would not be able to be viewed by our system, or be able to aid the Police, should any incident occur.

Subject: Licensing Act 2003: The Noodle Pot, St. James Street

Dear Licensing

Newport Parish Council would like to submit the below comment on the premises licence application for the Noodle Pot.

Newport Parish Council does not object to the granting of a premises licence; however, the sale of late night refreshment should be restricted to 23:00-01:00 as opposed to 23:00-05:00, as specified on the applications, on the grounds of preventing public nuisance and reducing any crime and disorder in the early hours of the morning.

Kind regards,
Dan
