

Governance Policy Statement

Isle of Wight Council (“the council”), as the administering authority to the fund, has delegated its functions with regard to the fund to its Pension Fund Committee (“the committee”).

The committee oversees the proper administration and management of the fund. It is responsible for:

- appointing external fund managers and advisers
- making suitable custody arrangements for the fund's investments
- considering and approving actuarial valuations every three years and determining the level of employers' contributions
- considering changes in Local Government Pension Scheme (“LGPS”) regulations and determining actions required
- considering and approving strategic advice on investment policy
- considering and approving the external managers’ asset allocation and investment strategies
- monitoring the investment performance of the managers against the scheme specific benchmarks
- the periodic review of this statement, the Statement of Investment Principles, the Funding Strategy Statement and the Communications Policy

The committee normally meets with its fund managers and investment advisor four times each year, in February, May, July and November. Each meeting considers the strategy and performance of the managers, together with any business matters that require attention. These include, at least once per annum, consideration of fund management and investment advice arrangements, and the investment strategy of the fund.

The July meeting also forms the annual meeting to which all employers and employee representatives are invited to discuss fund performance and developments in the statutory framework.

As well as these formal meetings, ad hoc sessions are arranged as required, principally in order to explore available investment strategy options in some depth.

The committee is constituted to reflect the views of the council as administering authority and the largest member employer with 82% of the contributing membership.

The committee consists of

- seven councillors with voting rights plus the Leader of the Council in an ex-officio capacity
- one representatives of the admission bodies/scheduled bodies in an observer capacity
- one representative of the trade unions in an observer capacity
