**Subject:** Re: Path at Seagrove Bay - Application for Modification Order

Good Morning Darrel,

The issue of the Modification Order was discussed at the Parish Council Meeting yesterday evening.

The members voted not to support the application for a Modification Order as set out below. Due to the fact that there are two existing pathways in this area, the members could not see the necessity for a third.

Could you please consider this as part of your recommendations when making your final report?

Kind Regards  
Mark Pink  
Nettlestone & Seaview Parish Council Clerk

**Subject:** Path at Seagrove Bay - Application for Modification Order

Dear Sirs

I attach for your information a copy of an application for a Modification Order made under section 53(2) of the Wildlife & Countryside Act 1981 to add a footpath to the Definitive Map at Seagrove Bay.

When the Council receives an application for a Modification Order, it must investigate and evaluate all available evidence before deciding whether or not to make the Order. The process of investigation includes consultation with the appropriate town or parish council.

In the circumstances, please could you respond to this email with any comments the parish council wish to make and provide any evidence that it would like the Council to consider and investigate. If no comments or evidence are to be provided then please confirm this to be the case.

Regards

Darrel
