Dear Darrel

Ref: BB40 modification order

Bembridge Parish Council understands that this application is complex and seeks to establish that the definitive line of BB40 was recorded incorrectly on the definitive map in 1952. Bembridge Parish Council notes that this process has been difficult for the applicants and other parties involved and that a compromise needs to be reached to record a new legal line for the BB40 footpath going forward.

The application seeks to demonstrate 20 years of continuous used for both red line routes below and we would support either route as the new definitive map route for BB40.

Yours sincerely

Emma Goldring
Clerk Bembridge Parish Council

Subject: RE: Path at Forelands - Application for Definitive Map Modification Order - Formal Consultation

Dear Darrel

I have no concerns about the modification, provided it finally resolves the dispute between the cafe owners and long term residents of Bembridge. I understand that no one will be entirely happy, but this compromise is the best that can be achieved. Well done Darrel for your patience and persistence.

Regards
