\*^It has now been agreed and confirmed that Tuesday 4 September 2018 is the start date (for pupils) for the Autumn term 2018/19.

Schools can take up to 5 Staff Development Day closures during an academic year which may alter the start/end date of any school term. There has been agreement with all Island schools that one of these Staff Development Days is taken on the first day of the Autumn term (this being Monday 3 September 2018) and the remaining four are determined and allocated by schools as they wish. If you have any doubts about dates, it is advisable to contact your child's school directly.

Academies and private/independent schools have the freedom to determine and set their own term dates/holidays and inset days. The Local Authority will continue to set term/holiday dates for maintained schools.

Please note that the first day of the Autumn term in September 2019 will not be determined until the 2019/20 term dates have been consulted upon and approved in early 2019.
