

**MOTION SUBMITTED UNDER PROCEDURE RULE 10 OF THE COUNCIL'S
CONSTITUTION AT FULL COUNCIL ON WEDNESDAY, 19 JULY 2017**

BY COUNCILLOR JULIA BAKER-SMITH

Charging pedestrians on the floating bridge has had a significant impact upon many user groups but a particularly unfair impact on parents with children choosing healthy routes to school who are now being charged up to £6 per day in order to walk their children to school. This presents a potential and unnecessary barrier to low income families to maintaining school attendance. This Council resolves to ask the executive to provide free travel for parents escorting their children to school where they live on the opposite side of the river to the school their child attends.
