

CABINET – 13 SEPTEMBER 2018

**Written Question from Mr Richard Hards of Whippingham to Cllr Paul Brading
Cabinet Member for Children's Services**

QUESTION

"At the Cabinet meeting on 9th November 2017, Cllr Brading confirmed that Children's Services comply with all statutory guidance. It therefore follows that it is IoW Council policy that all statutory guidance is adhered to and that the Children's Services budget must be sufficient to ensure such compliance.

Can the Cabinet Member for Children's Services give a categorical assurance that the Children's Services' budget for the current financial year does allow for compliance with all statutory guidance?"

RESPONSE

"Yes."
