Written question from Stephen Cockett

There are two mentions of Undercliff Drive within the document BUDGET & COUNCIL TAX SETTING 2019/20 & FUTURE YEARS FORECASTS, both related to funding for a public consultation to inform the council on how to proceed with the matter.

Can the chairman please state if this allocation for consultation is the only allocation related to Undercliff Drive in the next financial year?

Response

The response is that the allocation for consultation is the only allocation related to Undercliff Drive in the next financial year
