Written Question from Ieuan Jehu

Re:

West Wight School Places

As was made clear by Martin Goff at the Final West Wight School Public Consultation Meeting on the 6th of June; the PSBP2 grant money, allocated to All Saints' Primary, could not be released until the capacity of the renovated school is declared.

What will be the pupil capacity of the renovated All Saints' site, as communicated with the DfE & LEA?

Response

Discussions have been ongoing throughout the summer with the DfE about the investment for the All Saints' site and we remain confident that the DfE want to invest in the school site. Plans looking at the option of a total rebuild, or significant refurbishments, are being formulated for a one form entry school with a PAN of 210.
