

Appendix B:1 - Hampshire and Isle of Wight Local Resilience Forum Command Structure

Appendix B:2 Hampshire and Isle of Wight Local Resilience Forum working strategy and operating objectives

Hampshire & Isle of Wight Local Resilience Forum - Strategic Co-ordination Group: Working strategy	
Strategic Aim: To work in partnership to help mitigate the impact of Covid-19 on the United Kingdom through an effective, collaborative, multi-agency response. We will save saveable life by:	
Strategic Objective	Tactical Objectives
<p>Prevent spread of infection Strategic Lead: Simon Bryant HCC/IOW Director of Public Health</p>	<ul style="list-style-type: none"> Promote multi-agency strong community messaging in line with social distancing guidelines Protect the health and safety of personnel by providing continued PPE advice and prioritising the distribution of additional stocks of PPE (where available) through the distribution network established within the logistical cells. Lead and develop our testing capability Share data to aid the understanding of the spread of infection and effective mitigation
<p>Maintain critical services Strategic Leads: Maggie Macisaac, NHS and Steve Apter, Hampshire Fire & Rescue Service</p>	<ul style="list-style-type: none"> Identify and escalate business continuity issues identified and forecasted to TCG and/or relevant SCG sub-groups to look for shared mitigation and support Identify critical interdependencies, enabling decision making support to subgroups and TCG. Liaise with other SCG subgroups to build and maintain a rich picture relating to business continuity of critical services Look forward to future business continuity issues within the context of Covid-19 response and recovery based on business continuity knowledge, forecasting and experiences of similarly placed authorities (within the UK or overseas) Pool resources to contribute to multi-agency problem solving.
<p>Protect the most vulnerable Strategic Leads: Graham Allen, Hampshire County Council</p>	<ul style="list-style-type: none"> Identify areas of vulnerability and ensure that people can make contact to identify the support they need/offers of support can be brought within a local framework Local resilience arrangements are in place to respond to requests of support Resilient access to services/support to safeguard people with specific social care and other support needs People with increased Covid-19 risk in marginalised/other vulnerable groups; rough sleepers; substance misusers etc are being supported appropriately, including those resistant to support That a clear supply/logistics/PPE infrastructure is in place A clarity of communication both to the public and across our respective organisations/partnerships
<p>Maintain public confidence and order</p>	<ul style="list-style-type: none"> Working with partners to deliver clear messaging by using media platforms and visible policing in support of social distancing

Hampshire & Isle of Wight Local Resilience Forum - Strategic Co-ordination Group: Working strategy

<p>Strategic Leads: Dave Powell and Scott Chilton, Hampshire Constabulary</p>	<ul style="list-style-type: none"> • Intervening by engaging, explaining and encouraging and where necessary, using enforcement if there are any clear breaches of the national rules • Gathering intelligence around breaches of government rules and targeting hotspots with visible patrols working to the 4 “E”s • Continuing to respond to emergencies when requested • High visibility patrols providing public reassurance and crime prevention • Monitoring and mapping non-compliance behaviour • Sharing data on hotspots and any enforcement action with partners to inform the work of other leads
<p>Restore and recover to new normal Strategic Lead: David Williams, Portsmouth City Council</p> <p>Recovery Aim: To restore the social, economic and political wellbeing of the communities of Hampshire and the Isle of Wight</p>	<ul style="list-style-type: none"> • Develop a concise, balanced and affordable recovery action plan • Ensure a system is in place for the monitoring and protection of public health and that plans are in place to manage response alongside recovery (second wave or non Covid-19 incident) • Critical services including our utilities and transport networks continue to be supported and maintained • A pro-active and integrated framework of support to businesses is established • Help those traumatised by their experience of the impact of Covid-19 on themselves, their families and their loved ones address their trauma (and grieve their loss) • Reinforce and restore public confidence in the resilience of the machinery of government to protect the public from critical incidents • Celebrate and commemorate the contributions made to support our communities through the incident and give the public opportunities to express their appreciation • Collaborate to help re-build those critical services most ravaged by the incident and reflect on future prioritisation • Establish effective protocols for political involvement and liaison (Parish/District/County/Unitary and Parliamentary) • Cherish and implement the learning from the incident, including capturing best practice and reflect on future priorities in the light of collective experience.
