

FULL COUNCIL - WEDNESDAY, 20 JULY 2016

**Written question from Rachel Brown to Councillor Charles Chapman,
Chairman of the Council**

I have attended the last three meetings of the Isle of Wight Council, and would like to ask if the Chair received any comments or complaints about the conduct displayed by any Councillors within the Chamber?

Response

Yes I have received a number of comments, and I am aware that the Monitoring Officer has received, and is considering, a complaint that arising from the behaviour at the last meeting the code of conduct was breached. Given that this is a formal complaint that is in the hands of the Monitoring Officer it would not be appropriate for me to say any more on this particular case.

However I do thank Mrs Brown for raising this question as this gives me the opportunity to inform all members that their behaviour in this chamber is a matter for public record and I ask that you all consider this when responding to various matters. I will do all I can to maintain order in the chamber, but members it is your behaviour that is being observed.
