SECTION 151 OFFICER'S COMMENTS

Under Recommendation 5(k), Members must have regard to the Statement of the Section 151 Officer in accordance with the Local Government Act 2003. The Section 151 Officer advises as follows:-

The proposals contained within this amendment are legal and present a balanced budget for 2017/18.

The amendment is not considered to be financially prudent over the medium term and is contrary to the Council's recently approved Medium Term Financial Strategy in the following respects:

- (a) It serves to increase the Council's overall forecast financial deficit over the period 2018/19 to 2020/21 from £19m to £22.9m, an increase of £3.9m
- (b) It does not provide for a managed and even profile of savings to be made in future years
- (c) It results in a level of savings required in 2018/19 of £11.3m (compared with the approved Medium Term Financial Strategy of £7.5m) which is at a level previously been considered by the Council to be unachievable and inconsistent with the Council's statutory obligations for the provision of statutory services

The S.151 Officer reminds the Council that the Local Council Tax Support scheme is available to residents and is accompanied by an Exceptional Hardship Policy. The scheme is means tested and provides financial support to those who can least afford to pay Council Tax.

LEGAL IMPLICATIONS

The Head of Legal Services is satisfied that it is within the Council's powers to approve the amendment as set out, and supports the advice of the Section 151 Officer given above.

EQUALITY AND DIVERSITY

The Head of Legal Services is satisfied that the amendment does not alter the content or conclusions set out in the Equality Impact Statement at Appendix G
