

Isle of Wight Health and Wellbeing Board – Quarterly Update Report

Service:	Community Safety Partnership (CSP)
Lead officer:	Amanda Gregory
Completed by:	Helen Turner
Reporting period:	April – June 18 Q2
Key activities in the previous quarter	
Community Safety online survey completed, 86% feel safe, Top 3 priorities identified: drugs and alcohol, ASB, violent crime	
Launch of Community Alcohol Partnership to tackle underage drinking	
ASB initiatives carried out to tackle youth ASB in Ryde and Newport.	
CSP agreed reducing reoffending strategy	
Counter Terrorism local profile (CTLTP) presented at Prevent Board	
Published 2 x DHR's from 2016	
'Blow the whistle' domestic abuse campaign launched	
Key activities for the next quarter:	
Produce CSP Strategic assessment and plan and present to CSP	
Produce and deliver on reducing reoffending action plan	
Update Prevent Board plan with recommendations from CTLTP	
Community engagement events in hotspot areas	
Third party reporting centre training to be delivered.	
Key risks & significant Issues that may impact on the delivery of services	
Domestic homicide reviews add financial pressure to partners and community safety team prioritising results in other areas of work being reduced	
No resource for Analyst which causes pressure on an annual basis (to produce strategic assessment) within community safety team and no resource for the sub (priority groups)	
Decisions, support & discussions required by the Health and Wellbeing Board	
Support an analyst to work across CSP and other boards to enable predicative analytics, problem solving and preventative work would be effective for work on priorities : reduce reoffending, violent crime, ASB
