STRATEGIC CONTEXT

- 11. The primary objective of the fund is to provide pension and lump sum benefits for members on their retirement and/or benefits on death, before or after retirement, for their dependents, in accordance with the LGPS regulations and statutory provisions. The committee aims to operate the fund in such a manner that, in normal market conditions, all accrued benefits are fully covered by the value of the fund's assets and that an appropriate level of contributions is agreed by the employer to meet the cost of future benefits accruing.
- 12. Approval of the fund's draft annual report and accounts, and the overall stewardship of public funds, form an integral part of the fund's corporate governance framework.

KNOWLEDGE AND SKILLS FRAMEWORK COMPLIANCE STATEMENTS

- 13. This is the second year in which these statements have been included in the fund's annual report.
- 14. The statements set out the fund's policy for compliance with the CIPFA (Chartered Institute for Public Finance and Accountancy) Code of Practice on

Public Sector Pensions Finance Knowledge and Skills, and a report on member and officer training throughout the year.

- 15. The policy statements are unchanged since last year. The committee is asked to confirm its continuing commitment to these statements.
- 16. As this is the first time that the member and officer training report has been presented, the committee is asked to agree the content of the report.
- 17. Details of member attendance at training and committee meetings have been taken from the council's intranet pages and minutes of previous committee meetings.

FINANCIAL / BUDGET IMPLICATIONS

- 18. There are no direct financial implications associated with this report.
- 19. The financial information included in this report was presented in summary at the committee meeting in May 2015. However, on an annual basis it is necessary to produce financial information in this format to comply with external reporting requirements, codes of practice and the specific requirements of the Accounts and Audit (England) Regulations 2011, and with the LGPS (Administration) Regulations 2008.

LEGAL IMPLICATIONS

- 20. The pension fund annual accounts form part of the council's annual statement of accounts. The Accounts and Audit (England) Regulations 2011 require approval of the council's statement of accounts by the council sitting as a whole, or by a committee with delegated powers to make such a decision, no later than 30 September each year.
- 21. The LGPS (Administration) Regulations 2008 require that LGPS funds prepare an annual report, including specified contents, which must be published by 1 December each year.
- 22. The audit of the pension fund accounts has already commenced, and should be substantially complete by the date of this meeting. The external auditors expect to issue their report and opinion on the accounts before 30 September 2015, the statutory date for publication of the council's audited statement of accounts.
- 23. The independent report of the external auditor on both the council's accounts and the pension fund accounts will be presented to the audit committee during September 2015, prior to issue of their final report and audit certificate to be published with the council's statement of accounts.
- 24. The independent report of the external auditor for the pension fund accounts will be presented to this committee in November 2015, and will be published in the pension fund annual report and accounts before 1 December 2015.

EQUALITY AND DIVERSITY

- 25. The council has a legal duty under the Equality Act 2010 to seek to eliminate discrimination, victimisation and harassment in relation to age, disability, gender re-assignment, pregnancy and maternity, race, religion, sex, sexual orientation and marriage and civil partnership.
- 26. Initial screening has indicated that there are no specific equality and diversity issues arising from the content of this report.
