49	i	18-May-18	GOVERNANCE REVIEW RECOMMENDATION 5: Risk Management	The fund should create a risk management policy, setting out: <ul style="list-style-type: none"> its risk philosophy for the management of the fund; its appetite for risk; how risk management is implemented; roles and responsibilities for the management of risk; key controls to be operated by those with responsibility for managing the Fund's. Following on from the creation of its risk policy the current issues log should be developed into a full risk register. 50	i	18-May-18	GOVERNANCE REVIEW RECOMMENDATION 9: Training policy	Consideration should be given to putting in place a formal Training Policy, setting out the Administering Authorities approach to training for members of the Pension Committee, Pension Board and Officers involved in the management and administration of the Fund. 51	i	18-May-18	GOVERNANCE REVIEW RECOMMENDATION 10: pooling - governance	Review the terms of reference and scheme of delegation for the Fund's pension Committee and Pension Board to ensure they are appropriate post pooling. If an investment sub-committee is being set up, consider its terms of reference in the context of pooling.	New issue May 18: ACCESS JC is considering a decision matrix, which will set out responsibilities for decision making in the pool, including those decisions required by each administering authority. UPDATE 21/7: other ACCESS funds are sharing what they are doing on this, to be adapted for LOW.	Jo Thistlewood	30-Nov-18	RED	RED	n/a
52	i	18-May-18	GOVERNANCE REVIEW RECOMMENDATION 11: pooling - reporting	Ensure the fund receives regular reporting from ACCESS on both manager selection and performance, holding ACCESS to account and ensuring that the best interests of the Isle of Wight Pension Fund's interests are satisfactorily met.	New issue May 18: ACCESS OWG holding workshop on 7 June to discuss reporting requirements from operator. UPDATE 21/7: reporting still being developed, we will follow requirements of other ACCESS funds, and adapt our accounting and committee reporting processes accordingly. However, as first sub-fund likely to impact us will probably not be launched until next financial year, there will be time to make necessary changes.	Jo Thistlewood	31-Mar-19	RED	RED	n/a
