

PAPER B

ISLE OF WIGHT HEALTH AND WELLBEING BOARD Summary Report

1. **Formal details of the paper**
 - 1.1. **NEWPORT (PAN AND BARTON) PLACE-BASED INITIATIVE: GENERAL UPDATE**
 - 1.2 General publication
 - 1.3 **24 APRIL 2018**
 - 1.4 Chad Oatley: chad.oatley@iow.gov.uk
Cllr Geoff Brodie: geoff.newportiw@gmail.com

2. **Summary**

- 2.1 Key messages for Board members
 - A. Project progressing as planned with recruitment phase undertaken and Community Builder appointed from 16 April
 - B. Community Builder currently in their induction period.
 - C. Asset-based Community Development Training (ABCD) for Project Steering Group to be delivered 24th April by the *Nurture Development* support organisation. Steering Group increasingly rooted in community.

There is no direct effect to Board Members as a result of Community Builder appointment.

Newport East ward, which includes Pan and Barton, is directly affected by appointment. Aspiration is for Community Building to diffuse throughout other Newport wards that experience similar high levels of deprivation, alongside planning to introduce ABCD within Ryde as next Place-based initiative.

3. Key Points of report

Newport Pan and Barton Place-based initiative have an established steering group which have collaborated to advertise and appoint a Community Builder to take forward the project into action.

The recruitment process has also resulted in new community members joined the steering group.

4. Decisions, recommendations and any options

3.1 The Board is asked to do what:

To note report
