The intimidation and abuse of councillors, in person or otherwise, undermines democracy; preventing elected members from representing the communities they serve, deterring individuals from standing for election, and undermining public faith in democratic processes.

This council notes that increasing levels of toxicity in public and political discourse is having a detrimental impact on local democracy and that prevention, support and responses to abuse and intimidation of local politicians must improve to ensure councillors feel safe and able to continue representing their residents.

Equally, officers, staff and contractors working for this council should be free to go about their duties without fear of threat and intimidation. The recent assault on a member of our parking team is not acceptable. This council puts people first and will not tolerate abuse of any kind. We

appreciate at times services may fall below the standards residents are reasonably entitled to expect. This is why we have a robust complaints procedure where residents can raise concerns, and we will work with them to seek to ensure services are delivered to a high standard.

This council commits to challenge the normalisation of abuse against councillors, officers, staff, and the contractors who work with us and uphold exemplary standards of public and political debate in all it does.

The council will uphold the values of the debate not hate and raise public awareness of the role of councillors and staff in their communities, encourage healthy debate and improve the responses and support for local politicians and staff facing abuse and intimidation.

Resolution: This council agrees to sign up to the Local Government Association's Debate Not Hate campaign. The campaign aims to raise public awareness of the role of councillors in local communities, encourage healthy debate and improve the response to and support those in public life facing abuse and intimidation.

Stop Sewage Being Released in the Sea around and from the Isle of Wight!

IW council resolves to acknowledge that the volume of sewage ending up in our waters is unexceptionable. From March 2022 to March 2023 there were 16787 hours when sewage was discharged into our waters. In October to November 2023 there was a single duration event of raw sewage release lasting 681 hours at Sandown.

IW council resolves to ensure that any solutions or programs put forward to help solve sewage pollution are adopted and installed without unnecessary barriers.

IW council resolves to work with all interested parties and organisations to implement sustainable urban drainage at every opportunity. For horizontal integration of sustainable urban drainage to be placed in all ongoing development across the Isle of Wight.

Interests

If there is a matter on this agenda which may relate to an interest you or your partner or spouse has or one you have disclosed in your register of interests, you must declare your interest before the matter is discussed or when your interest becomes apparent. If the matter relates to an interest in your register of pecuniary interests then you must take no part in its consideration and you must leave the room for that item. Should you wish to participate as a member of the public to express your views where public speaking is allowed under the Council's normal procedures, then you will need to seek a dispensation to do so. Dispensations are considered by the Monitoring Officer following the submission of a written request. Dispensations may take up to 2 weeks to be granted.

Members are reminded that it is a requirement of the Code of Conduct that they should also keep their written Register of Interests up to date. Any changes to the interests recorded on that form should be made as soon as reasonably practicable, and within 28 days of the change. A change would be necessary if, for example, your employment changes, you move house or acquire any new property or land.

If you require more guidance on the Code of Conduct or are unsure whether you need to record an interest on the written register you should take advice from the Monitoring Officer – Christopher Potter on (01983) 821000, email christopher.potter@iow.gov.uk, or Deputy Monitoring Officer - Justin Thorne on (01983) 821000, email justin.thorne@iow.gov.uk.

Arrangements for Submitting Oral Questions at Meetings of Council and Cabinet:

The front desk “opens” for public wishing to attend the meeting half an hour before the meeting.

In the circumstances that a member of the public wishes to ask an oral question, they should approach the front desk and notify them of their intention. They will be given a form to complete which details their name, town/village of residence, email address and the topic of the question (not the question in full, unless they wish to provide this).

These forms will be numbered in the order they are handed back.

The time for registering questions will be for a 20 minute period (up to 10 minutes prior to the start of the meeting). After that time expires the forms will be collected and given to the Chairman of the meeting.

If time allows after dealing with any written questions, the Chairman will then ask those who have submitted a form to put their question. These will be in the order they were received. As the subject matter is known, the Chairman should be able to indicate which member will reply. If time permits the Chairman may accept further questions.

The option to ask a supplementary question will be at the Chairman’s discretion.

Once the defined period of time allowed for questions has passed (and assuming the Chairman has not extended this) then all remaining oral questions are left unanswered.

No oral question will receive a guaranteed written response, unless the member responding indicates as such.
