10. **Motions Submitted under Procedure Rule 11 of the Council's Constitution**

i) By Councillor Michael Lilley

i. Acknowledges the efforts that this council has made to reduce greenhouse gas emissions and promote renewable energy;

ii. Further recognises

- That very large financial setup and running costs involved in selling locally generated renewable electricity to local customers result in it being impossible for local renewable electricity generators to do so,
- That making these financial costs proportionate to the scale of a renewable electricity supplier's operation would enable and empower new local businesses, or councils, to be providers of locally generated renewable electricity directly to local customers, and
- That revenues received by new local renewable electricity providers could be used to help improve the local economy, local services and facilities and to reduce local greenhouse gas emissions;

iii. Accordingly resolves to support the Local Electricity Bill, supported by 187 MPs which, if made law, would establish a Right to Local Supply which would promote local renewable electricity supply companies and co-operatives by making the

setup and running costs of selling renewable electricity to local customers proportionate to the size and the size of the supply operation; and

iv. Further resolves to

- Inform the local media of this decision,
- Write to local MPs, asking them to support the Bill, and
- Write to the organisers of the campaign for the Bill, Power for People, (at 8 Delancey Passage Camden, London NW1 7NN or [info@powerforpeople.org.uk](mailto:info@powerforpeople.org.uk)) expressing its support.

ii) By Councillor John Medland

It has been estimated that as much as 40% of public service spending is on interventions that could have been avoided by prioritising a preventative approach to early years development.

The Wave Trust is an independent organisation whose 70/30 campaign seeks to bring about a 70 per cent reduction in child maltreatment by the year 2030. It proposes a preventative and integrated approach.

This strategy has been endorsed by members from across the Chamber and our Member of Parliament and has already been successfully applied in cities on the Mainland.

This council agrees to promote training in identifying childhood trauma and to use the learning and research on adverse childhood experience to inform change in practice.

Council commits to exploring the Wave Trust's 70/30 approach to see what value this might add to the Council's existing activities to prioritise children's early years and give every child the best possible start in life.

Council will commission Early Years leaders and relevant partners to carry out a feasibility study of this approach for a local pilot project.

iii) By Councillor Julie Jones-Evans

This Council will put the wellbeing of residents at the heart of placemaking in our towns and villages.

## 11. **Member Question Time of the Leader (30 minutes)**

A question must be submitted by electronic mail to Democratic Services no later than 5pm on Thursday, 10 September 2020.

## Interests

If there is a matter on this agenda which may relate to an interest you or your partner or spouse has or one you have disclosed in your register of interests, you must declare your interest before the matter is discussed or when your interest becomes apparent. If the matter relates to an interest in your register of pecuniary interests then you must take no part in its consideration and you must leave the room for that item. Should you wish to participate as a member of the public to express your views where public speaking is allowed under the Council's normal procedures, then you will need to seek a dispensation to do so. Dispensations are considered by the Monitoring Officer following the submission of a written request. Dispensations may take up to 2 weeks to be granted.

Members are reminded that it is a requirement of the Code of Conduct that they should also keep their written Register of Interests up to date. Any changes to the interests recorded on that form should be made as soon as reasonably practicable, and within 28 days of the change. A change would be necessary if, for example, your employment changes, you move house or acquire any new property or land.

If you require more guidance on the Code of Conduct or are unsure whether you need to record an interest on the written register you should take advice from the Monitoring Officer – Geoff Wild on (01983) 821000, email [geoff.wild@iow.gov.uk](mailto:geoff.wild@iow.gov.uk), or Deputy Monitoring Officer - Justin Thorne on (01983) 821000, email [justin.thorne@iow.gov.uk](mailto:justin.thorne@iow.gov.uk).
