<p>Ryde Transport Interchange Project Delivery</p> <p>This paper concerns the Ryde Transport Interchange Project which is being funded by the Department for Transport as a part of the Transforming Cities Fund in partnership with Portsmouth City Council and Hampshire County Council. The £10million grant for the Island will fund reinstatement of the tramway pier, refurbishment of the station/bus interchange and improved approaches with local transport partners providing a further c.£30million of complimentary contributions. The project is based on the Ryde Interchange scheme previously approved following consultation in 2008.
