Item	<u>Transport for the South East – Formal Consent for Proposal to Government</u>	
Reference	05/20	
Notice of Decision Published	Thursday 2 July 2020	
Decision taken	To approve the submission of the Proposal to Government. On the basis that all 16 statutory authorities provide formal consent, a final decision will be made by the TfSE Shadow Board in July 2020 to proceed with submitting the Proposal to Government in September 2020.	
Reason for decision	<p>The formation of a statutory sub-national South Eastern Transport Body would allow for authorities in the region to speak with 'one voice' on key strategic priorities.</p> <p>By working strategically across the South East, with local authorities, local enterprise partnerships and government, the Transport Body will influence how and where money is invested in order to best deliver transport improvements for the travelling public; improving productivity, quality of life and the environment.</p>	
Additional reasons	N/A	
Options considered and rejected	Option 2 – Not to provide formal consent and confirm this to the TfSE Shadow Board. Without consent from all statutory authorities TfSE will not be able to submit the Proposal to Government to establish as an STB.
