Work towards the delivery of a new Records Office	The Corporate Plan indicates that it is the Council's intention to secure funds for the development of a new Records Office. The creation of a new Cultural Centre on land at Newport harbour includes the provision of a new Record Office. Consultants were commissioned to prepare a vision document for the proposal, and this was finalised mid-September and issued to all key stakeholders. A copy of the vision document was shared with the National Archive for their review and approval; they have since provided feedback on the record office element and this will be reflected as part of the next stage of design and feasibility work. The Committee will receive a report on progress with this project.	Cabinet Member for Environment, Heritage and Waste Management
