Implementation of the proposed Traffic Regulation Orders - The Isle of Wight Council (Various Streets, Ryde) (Traffic Regulation) Order No 2 2022 and The Isle of Wight Council (Residents' Parking Places) Order 1 2022., introducing new parking restrictions in various locations in Ryde.

The Aims, Objectives and Expected Outcomes:

Traffic Regulation Orders are progressed in accordance with the Local Authority's Traffic Regulation Order (Procedure) (England and Wales) Regulations 1996.

These restrictions were proposed to facilitate the passage on the road or any other road of any class of traffic (including pedestrians) and for avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising.

The proposal is aiming to ensure safety for all road users, whilst securing the movement of the traffic – by increasing visibility at junctions and bends and by removing unregulated parking that obstructs footways and limits accessibility.
