

ISLE OF WIGHT COUNCIL

RECORD OF EXECUTIVE DECISION – CLLR PHIL JORDAN

Title of Matter: Transport for South East England (TfSE) Strategic Investment Plan

Decision maker: Cllr Phil Jordan, Cabinet Member for Infrastructure, Highways PFI and Transport

Power(s) giving authority to make an executive decision: Section 9E (2) (b) (ii) of the Local Government Act 2000 and under all other enabling powers.

Decision:

That the final draft Strategic Investment Plan (SIP) for the South East be agreed.

Date of decision: 9 March 2023

Reason for decision: It supports the ongoing business of the council set out within the Corporate Plan, namely to: 'Continue to represent the Island on all transport related matters through partnership groups such as Solent Transport and Transport for South East.'

The SIP will also assist the Isle of Wight Council in achieving its targets for transport set out within the adopted Climate & Environment Strategy, as well as the emerging Local Transport Plan 4 and the Island Planning Strategy.

Details of any alternative options considered and rejected by the councillor when making the decision: Option 2 – To not approve the final draft Strategic Investment Plan for the South East. This was rejected as it would not enable the local authority to realise its vision.

Record of any conflict of interest declared by any Cabinet member consulted by the Leader of the Cabinet which relates to the decision: None

Dispensations granted by the Head of Paid Service in respect of any declared conflicts of interest: None

Background documents referred to: Report and Appendices
