Hello Shane

I have had a look through the systems for the venue.

So far we had no reports from the location during 2022 or so far in 2023.

We had a reported burglary in early 2022 but nothing again before that back to 2019.

At this time we as the police have no concerns with the extended hours at the location.

If you need any more info let me know

Andrew

Hi Andrew, I hope you are well.

I have received quite a few objection with regards to the application as per above with some citing anti-social behaviour, fights and arguments taking place in the park.

Before I draft a final response to the interested parties, can you let me have the Police response to the application and also whether any instances of ASB or other matters that could impact on the Licensing Objective for the Prevention of Crime and Disorder.

If you need to discuss let me know but I need to go back to the relevant objectors so the Police view would be appreciated,

Kind regards
