Service Updates - Key Aspirations and Ongoing Business

The following activity supports UN Sustainable Development Goal 9:

The Steering Group (consisting of internal and external representation) has continued to meet, following the agreement of the Terms of Reference. Priorities 3 and 4 are being focused on together, with the review of our Statement of Community Involvement. Town, Parish, and Community Councils have been engaged on a new enforcement strategy. Preparation has also started on a customer charter.

At Full Council in January, members agreed to allow more time for Cabinet to report back on the draft Island Planning Strategy (IPS). A consultation response was submitted to the National Planning Policy Framework (NPPF) consultation and Cabinet will receive an update paper on the direction of travel of the draft IPS to Cabinet and Full Council in May 2023. An all-member briefing was held in advance of these meetings on Wednesday 19 April 2023.

Brownfield sites are progressing, with the demolition of Thompson House programmed, and discussions with Southern Housing regarding the Berry Hill site ongoing. Brownfield Land Release Fund (BLRF) submissions have been made on three sites at New Street and Medina Avenue (Newport) and for Lowtherville (Ventnor).
