Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

We are looking to implement a premises license for the sale of alcohol at The Bay Café. Should this license be granted we will operate the venue to the highest standards. All members of the team will be trained in their responsibilities in regards to the sale of alcohol with regular re-fresher training, all training will be recorded and copies kept on site for inspection if requested by the authorities. The Bay Café will close within an hour of the licensing activities having ceased; this will give adequate time for customers to exit the venue in an orderly manner causing no nuisance to near by properties.

b) The prevention of crime and disorder

CCTV will be placed around the venue in appropriate areas including entrance/ exit areas and the main building areas and toilets. The CCTV equipment will be checked daily by management to be kept in good working order and will continuously record throughout the day. The premises license holder will ensure that all CCTV images/ recordings will be kept for 31 days after recording and will be available to view if requested by the police/ licensing authority. Management will ensure that the CCTV has the correct time and date at all times, if the CCTV malfunctions/ ceases to work management will inform the police/ licensing authority in a timely manner and this will be logged in the incident report book. Any issues with CCTV will be rectified as soon as possible with management informing police/ licensing authorities as soon as possible. The premises license will ensure there are competent & trained team members available during licensing hours if CCTV is requested to be downloaded or reproduced.

The DPS of the Bay Café will keep an up-to-date DPS authorisation sheet which will show who has authority to serve alcohol on the premises.

All incidents will be recorded in an incident report book as well as all refusals of alcohol sales. These documents will be available for police and council officers on request.

There will always be sufficient staff on site who will have been trained on all company procedures. Training documents will be available on request.

c) Public safety

All members of the team will be trained in hazard perception for any potential dangers or risks that may occur with customers, they will also be trained in the chain of command if an incident does occur. If the member of staff is unable to defuse any situations, they will be instructed by management to call the police. All relevant fire precautions are in place and are marked on the plan, the business also has been fire risk assessed.

There will be an on-site accident book to record and accidents/ injuries that occur on the premises. The accident report book will be retained for inspection by the business and any relevant parties for 3 years.

d) The prevention of public nuisance

There will be signage at all ingress & egress points around the venue asking customers to be quiet and respectful of any surrounding residents when leaving the venue. Management and staff will also remind all customers of their responsibility do not cause any disturbance upon exiting. Guests will be directed to the nearest car parks/ facilities and we will arrange for collection and drop off in order to stop any potential congestion going down towards The Bay Café.

e) The protection of children from harm

We will be implementing a think 25 policy that all staff will be trained on (with training records kept). We will only accept physical photographic IDs (passports, driving license, military ID). Anyone who appears younger than 25 will be challenged to present ID, if the customer is unable to provide then there will be no sale. Challenge 25 posters will be placed around the venue. Any staff under the age of 18 will need to ask management to take over and complete the sale on their behalf. If we believe a customer is purchasing alcohol for minors then there will be no sale. All refusals will be logged in the refusals book (location: behind bar, next to till) and will be readily available for inspection from the Police or Licensing Officers on request. All children on the premises must be supervised, if a child becomes lost management will be made aware who will follow the companies 'lost child protocol' document.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
