

ISLE OF WIGHT COUNCIL - GENERAL EXCEPTION NOTICE

HOLIDAY ACTIVITY & FOOD (HAF) PROGRAMME GRANT RECOMMENDATIONS
- EASTER 2024

(under regulations 10(1) and 10(3) of The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 (“the Regulations”))

Notice is hereby given that the Cabinet Member for Children’s Services, Education and Corporate Functions intends no earlier than 20 February 2024 to make an executive decision regarding the **Holiday Activity and Food (HAF) Programme grant Recommendations – Easter 2024**.

This decision is regarded as a ‘key decision’ and ordinarily under regulation 9 of the Regulations at least 28 clear days’ notice is required to be given in advance on the Forward Plan, setting out that a key decision is to be made, the matter in respect of which the decision is to be made, the name of the decision-making body and its members or the name of the individual decision maker, the date on which, or the period within which, the decision is to be made, a list of the documents submitted, the address from where copies of documents may be obtained, notice that other documents may be submitted to the decision maker and the procedure for requesting details of these documents (if any) as they become available.

Where such notice is impracticable, a general exception notice may instead be given in accordance with regulation 10 of the Regulations.

The Deputy Monitoring Officer has by written notice informed the Chairman of the Corporate Scrutiny Committee of the matter about which the decision is to be made, namely.

The Cabinet Member for Children’s Services, Education and Corporate Functions is recommended as set out in the accompanying report, following receipt of the report, to agree the following (under delegated authority granted to them):

It is recommended that the Cabinet Member approves the award of grants to the organisations identified in Appendix 1 to the report to a total value of £68,765.00.

The reason why it was impracticable to have complied with the standard advance notice requirement is due to a delay in approval following the dissolution of the Hants and Isle of Wight partnership. In order to deliver the scheme and its objectives, decisions must be made as soon as possible and there is an established need to be met, and therefore the decision cannot reasonably be delayed.

A copy of this notice has been made available for inspection by the public and published on the Council’s website.

Dated: 8 February 2024

Signed: Justin Thorne, Deputy Monitoring Officer
