Review

How are you engaging people with a wide range of protected characteristics in the development, review and/or monitoring of the programme/ activity?

Through the formal consultation exercise from 06/10/2023 to 03/11/2023, the opportunity to provide comment and representation on the proposals was provided. Notices and plans were displayed on site, published in the local press, and made available in the County Hall; these were also accessible online via the Council’s website. Large print copies were available on request.

357 valid representation in total were received during the consultation period and these have been considered by the Local Highway Authority. In summary, some representations welcomed the proposals, whilst others objected some of the proposals on the same basis of potential loss of parking spaces and knock-on effect to the neighboring streets.

All representations have been fully considered in the Cabinet Report.

Date of next review: One year from implementation.
