

Policy and Scrutiny Committee for Neighbourhoods & Regeneration - Progress on Actions & Outcomes

Meeting Date	Agreed Action	Responsibility	Update	Actioned
Outstanding Actions				
4 May 2023	Annual Waste & Recycling Survey The committee to visit the Waste Education Centre on the Forest Park site once it is ready.	Strategic Manager Environment	A visit will be organised once the ERF has gone through commissioning and the education centre has opened.	
Actions Completed (Since Last Meeting)				
2 May 2024	Beach Management Framework The committee to receive clarification on Appendix 5 as to why the data stops at 2019.	Service Director Waste, Environment and Planning	A response was provided to the committee on 8 May 2024 that advised the data stops at 2019 as that was the last published information at the time of publication of the Beach Management Framework. The Environment Agency publish the data annually and as such the information is freely available, and has continued after this date.	May-24
