Agenda Item Introduction

ISLE OF WIGHT COUNCIL

Committee	POLICY AND SCRUTINY COMMITTEE FOR NEIGHBOURHOODS AND REGENERATION
Date	25 JULY 2024
Topic	REGENERATION STRATEGY

Background

1. The Isle of Wight Regeneration Strategy 2019-2030 was approved by Cabinet in June 2019. The strategy aimed to set out how the council would lead the agenda to ensure the economic future of the Island and create the Island as a great place to grow up, live, work and visit. The strategy set out the actions and activities that would enable the vision for the future to be realised.
2. Five years into the strategy the committee wish to review progress with delivery of the strategy and outcomes to date.
3. A verbal update will be provided to the committee at the meeting.

Focus for Scrutiny

- What are the KPIs (key performance indicators) linked to the strategy and how have they been met?
- What can realistically be achieved moving forward within current resource levels?
- What synergies exist between the council and external organisations to help achieve regeneration outcomes?
- What are the key priorities for the remainder of the strategy?
