Dear Committee Members

We are pleased to attach our audit results report for the forthcoming meeting of the Audit Committee.

We have substantially completed our audit of Isle of Wight Pension Fund for the year ended 31 March 2020.

As a result of Covid-19, new regulations, the Accounts and Audit (Coronavirus) (Amendment) Regulations 2020 No. 404, were published and came into force on 30 April 2020. This announced a change to publication date for final, audited accounts from 31 July to 30 November 2020 for all relevant authorities.

Subject to receiving the final documents listed in our report, we confirm that we expect to issue an unqualified audit opinion on the financial statements in the form at Section 3, before the accounts publication date of 30 November 2020.

This report is intended solely for the use of the Audit Committee, other members of the Authority, and senior management. It should not be used for any other purpose or given to any other party without obtaining our written consent.

We would like to thank your staff for their help during the engagement.

We welcome the opportunity to discuss the contents of this report, or any other issues arising from our work with you, at the Audit Committee meeting on 23 November 2020.

Yours faithfully

Public Sector Audit Appointments Ltd (PSAA) have issued a 'Statement of responsibilities of auditors and audited bodies'. It is available from the Chief Executive of each audited body and via the PSAA website ([www.psa.co.uk](http://www.psa.co.uk)). It is available from the Chief Executive of each audited body and via the PSAA website.

This Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The 'Terms of Appointment (updated April 2018)' issued by PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This Audit Results Report is prepared in the context of the Statement of responsibilities / Terms and Conditions of Engagement. It is addressed to the Members of the audited body, and is prepared for their sole use. We, as appointed auditor, take no responsibility to any third party.

## Scope update

In our audit planning report presented at 3 March 2020 Audit Committee meeting, we provided you with an overview of our audit scope and approach for the audit of the financial statements. We carried out our audit in accordance with this plan, with the following exceptions:

- ▶ Changes to reporting timescales: As a result of Covid-19, new regulations, the Accounts and Audit (Coronavirus) (Amendment) Regulations 2020 No. 404, were published and came into force on 30 April 2020. This announced a change to publication date for final, audited accounts from 31 July to 30 November 2020 for all relevant authorities.
- ▶ Additional EY consultation requirements concerning the impact on auditor reports because of Covid-19: The continued impact of the Covid-19 pandemic increases the risks to the material accuracy of financial statements and disclosures. To ensure we are providing the right assurances to the Fund and its stakeholders the firm has introduced a rigorous consultation process for all auditor reports to ensure that they include the appropriate narrative.
- ▶ Changes in materiality: We updated our planning materiality assessment using the draft financial statements. Based on our materiality measure of net assets, we have updated our overall materiality assessment to £11.2m (Audit Planning Report – £11.9m). This results in updated performance materiality, at 75% of overall materiality, of £8.4m, and an updated threshold for reporting misstatements of £562k.

## Status of the audit

We have substantially completed our audit of the Pension Fund's financial statements for the year ended 31 March 2020 and have performed the procedures outlined in our audit planning report. Subject to satisfactory completion of the following items we expect to issue an unqualified opinion on the Isle of Wight Pension Fund's financial statements in the form which appears at Section 3.

- ▶ Completion of subsequent events review
- ▶ Going Concern consultation
- ▶ Receipt of the signed management representation letter

## Audit differences

There are no other unadjusted or adjusted audit differences arising from our audit.

# Executive Summary

## Areas of audit focus

Our audit planning report identified key areas of focus for our audit of Isle of Wight Pension Fund's financial statements. This report sets out our observations and conclusions, including our views on areas which might be conservative, and where there is potential risk and exposure. We summarise our consideration of these matters, and any others identified, in the "Key Audit Issues" section of this report.

We ask you to review these and any other matters in this report to ensure:

- ▶ There are no other considerations or matters that could have an impact on these issues
- ▶ You agree with the resolution of the issue
- ▶ There are no other significant issues to be considered.

There are no matters, apart from those reported by management or disclosed in this report, which we believe should be brought to the attention of the Audit Committee.

## Control observations

We have not identified any significant deficiencies in the design or operation of an internal control that might result in a material misstatement in your financial statements and which is unknown to you.

## Other reporting issues

We have no other matters to report.

## Independence

Please refer to Section 7 for our update on Independence. There are no relationships from 1 April 2019 to the date of this report, which we consider may reasonably be thought to bear on our independence and objectivity.

## Areas of Audit Focus

## Areas of Audit Focus

### Significant risk

#### Misstatements due to fraud or error

##### What is the risk?

The financial statements as a whole are not free of material misstatements whether caused by fraud or error.

As identified in ISA (UK and Ireland) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. We identify and respond to this fraud risk on every audit engagement.

##### What did we do and what judgements did we focus on?

We performed the following procedures:

- ▶ Tested journals at year-end to ensure there are no unexpected or unusual postings.
- ▶ Utilised our data analytics capabilities to assist with our work, including journal entry testing. We assessed journal entries for evidence of management bias and evaluated for business rationale.
- ▶ Reviewed, discussed with management and challenged any accounting estimates, notably the disclosure on actuarial present value promised retirement benefit

##### What are our conclusions?

Our audit work found no evidence that management had attempted to override internal controls. This conclusion is based on detailed testing of accounts entries susceptible to potential manipulation.

## Areas of Audit Focus

### Significant risk

#### Risk of manipulation of Investment income and valuation

##### What is the risk?

Under ISA 240 there is a presumed risk that revenue may be misstated due to improper revenue recognition. In the public sector, this requirement is modified by Practice Note 10 issued by the Financial Reporting Council, which states that auditors should also consider the risk that material misstatements may occur by the manipulation of expenditure recognition.

From our risk assessment, we have assessed that the risk manifests itself through the manipulation of investment valuation and investment income.

##### What did we do and what judgements did we focus on?

We performed the following procedures:

- ▶ Undertook a review of reconciliations to the fund manager and custodian reports, and investigated any reconciling differences.
- ▶ Re-performed the detailed investment note using the reports we have acquired directly from the custodian and fund managers.
- ▶ Checked the reconciliation of holdings included in the Net Assets Statement back to the source reports.
- ▶ For quoted investment income, we agreed the reconciliation between fund managers and custodians back to the source reports.
- ▶ We utilised our data analytics capabilities to assist with our work, including journal entry testing. We assessed journal entries for evidence of management bias and evaluated for business rationale.

##### What are our conclusions?

We have not identified any material weaknesses in controls or evidence of material management override.

We have not identified any instances of inappropriate judgements being applied.

We did not identify any other transactions during our audit which appeared unusual or outside the Pension Fund's normal course of business.

### Going Concern Disclosure

There is presumption that the Fund will continue as a going concern. However, the current and future uncertainty presented by the Covid-19 pandemic increases the need for the Fund to undertake a going concern assessment to support its assertion. From an audit perspective, the auditor's report going concern concept is a 12-month outlook from the audit opinion date, rather than the balance sheet date. So, this year, for example, we have requested evidence of the going concern assessment up to and including around November 2021.

The draft accounts included a statement that the accounts had been prepared on a going concern basis. The Fund carried out an assessment of the impact of the Covid-19 pandemic on its income, expenditure, investment assets, cashflow as well as considering the recent triennial valuation. We reviewed the assessment, focusing on the reasonableness of the financial impact assessment, cashflow and liquidity forecasts, known outcomes, sensitivities, mitigating actions and key assumptions. We also discussed with management the need to make specific disclosures in the 2019/20 statements.

The Fund's assessment focuses on the fact that the recent triennial valuation reported that it was 95% funded. The Fund's assessment also considered future cashflows and the potential impact of Covid-19. The Fund has used its assessment to derive an additional disclosure around going concern at Note 1 of the accounts.

We have reviewed the new going concern disclosure and are satisfied that it adequately reflects the Fund's assessment and informs the reader of the impact of the pandemic on the Fund. Due to the significance of the disclosure in the current environment we are also consulting internally with our risk department over the level of disclosure. We will update the Committee verbally on the outcome/progress of the consultation.

### Our opinion on the financial statements

#### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ISLE OF WIGHT COUNCIL

##### Opinion

We have audited the pension fund financial statements for the year ended 31 March 2020 under the Local Audit and Accountability Act 2014. The pension fund financial statements comprise the Fund Account, the Net Assets Statement and the related notes 1 to 29. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20.

In our opinion the pension fund financial statements:

- ▶ give a true and fair view of the financial transactions of the pension fund during the year ended 31 March 2020 and the amount and disposition of the fund's assets and liabilities as at 31 March 2020 and
- ▶ have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20.

##### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the pension fund in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and the Comptroller and Auditor General's AGN01, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- ▶ the Director of Finance and Section 151 Officer's use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- ▶ the Director of Finance and Section 151 Officer has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the pension fund's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### Our opinion on the financial statements

#### Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The Director of Finance and Section 151 Officer is responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

#### Matters on which we report by exception

We report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make written recommendations to the audited body under Section 24 of the Local Audit and Accountability Act 2014;
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014;
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014; or
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects.

### Our opinion on the financial statements

#### Responsibility of the Director of Finance and Section 151 Officer

As explained more fully in the Statement of Responsibilities set out on page 5, the Director of Finance and Section 151 Officer is responsible for the preparation of the Authority's Statement of Accounts, which includes the pension fund financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20, and for being satisfied that they give a true and fair view.

In preparing the financial statements, the Director of Finance and Section 151 Officer is responsible for assessing the Pension Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Pension Fund either intends to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

#### Use of our report

This report is made solely to the members of Isle of Wight Council, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 and for no other purpose, as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Authority and the Authority's members as a body, for our audit work, for this report, or for the opinions we have formed.

# 04 Audit Differences

# Audit Differences

---

In the normal course of any audit, we identify misstatements between amounts we believe should be recorded in the financial statements and the disclosures and amounts actually recorded. These differences are classified as “known” or “judgemental”. Known differences represent items that can be accurately quantified and relate to a definite set of facts or circumstances. Judgemental differences generally involve estimation and relate to facts or circumstances that are uncertain or open to interpretation.

## **Summary of adjusted and unadjusted differences**

We highlight any misstatements greater than £11.2 million which have been corrected by management during the course of our audit. There are no corrected misstatements above this level to bring to your attention.

We report to you any uncorrected misstatements greater than our nominal value of £592,000. There are no uncorrected misstatements to bring to your attention.

# 05 Other reporting issues

## Other reporting issues

# Other reporting issues

### Consistency of other information published with the financial statements

We must give an opinion on the consistency of the financial and non-financial information in the Pension Fund Annual report 2019/20 with the audited financial statements.

Financial information in the pension fund annual report was consistent with the audited financial statements.

### Other powers and duties

We have a duty under the Local Audit and Accountability Act 2014 to consider whether to report on any matter that comes to our attention in the course of the audit, either for the Authority to consider it or to bring it to the attention of the public (i.e. "a report in the public interest"). We did not identify any issues which required us to issue a report in the public interest.

We also have a duty to make written recommendations to the Authority, copied to the Secretary of State, and take action in accordance with our responsibilities under the Local Audit and Accountability Act 2014. We did not identify any issues.

### Other matters

As required by ISA (UK&I) 260 and other ISAs specifying communication requirements, we must tell you significant findings from the audit and other matters if they are significant to your oversight of Isle of Wight Pension Fund's financial reporting process. They include the following:

- Significant qualitative aspects of accounting practices including accounting policies, accounting estimates and financial statement disclosures;
- Any significant difficulties encountered during the audit;
- Any significant matters arising from the audit that were discussed with management;
- Written representations we have requested;
- Expected modifications to the audit report;
- Any other matters significant to overseeing the financial reporting process;
- Related parties;
- External confirmations;
- Going concern; and
- Consideration of laws and regulations.

We have nothing to report in respect of these matters.

06

## Assessment of Control Environment

# Assessment of Control Environment

## Financial controls

It is the responsibility of the Pension Fund to develop and implement systems of internal financial control and to put in place proper arrangements to monitor their adequacy and effectiveness in practice. Our responsibility as your auditor is to consider whether the Pension Fund has put adequate arrangements in place to satisfy itself that the systems of internal financial control are both adequate and effective in practice.

As part of our audit of the financial statements, we obtained an understanding of internal control sufficient to plan our audit and determine the nature, timing and extent of testing performed. As we have adopted a fully substantive approach, we have therefore not tested the operation of controls.

Although our audit was not designed to express an opinion on the effectiveness of internal control we are required to communicate to you significant deficiencies in internal control.

We have not identified any significant deficiencies in the design or operation of an internal control that might result in a material misstatement in your financial statements of which you are not aware.

07

Independence

## Confirmation and analysis of Audit fees

We confirm there are no changes in our assessment of independence since our confirmation in our audit planning board report dated 3 March 2020.

We complied with the APB Ethical Standards. In our professional judgement the firm is independent and the objectivity of the audit engagement partner and audit staff has not been compromised within the meaning of regulatory and professional requirements.

We consider that our independence in this context is a matter that should be reviewed by both you and ourselves. It is therefore important that you consider the facts of which you are aware and come to a view. If you wish to discuss any matters concerning our independence, we will be pleased to do so at the forthcoming meeting of the Audit Committee

We confirm we have not undertaken non-audit work outside of the Statement of responsibilities of auditors and audited bodies as issued by the Public Sector Audit Appointments Ltd

The FRC Ethical Standard requires that we provide details of all relationships between Ernst & Young (EY) and your Pension Fund, and its directors and senior management and its affiliates, including all services provided by us and our network to your Pension Fund, its directors and senior management and its affiliates, and other services provided to other known connected parties that we consider may reasonably be thought to bear on the our integrity or objectivity, including those that could compromise independence and the related safeguards that are in place and why they address the threats.

There are no relationships from 1 April 2019 to the date of this report, which we consider may reasonably be thought to bear on our independence and objectivity.

Our fees do not include the scale fee review which is currently underway with PSAA to agree whether the scale fees need to be rebased to properly account for the increased audit and quality requirements as well as increased regulatory challenge on the depth and quality of assurance provided by audit suppliers. There is now greater pressure on firms to deliver higher quality audits by requiring auditors to demonstrate greater professional scepticism when carrying out their work. This has resulted in auditors needing to exercise greater challenge to the areas where management makes judgements or relies upon advisers, for example, in relation to estimates and related assumptions within the accounts. Discussions with PSAA remain ongoing

As part of our reporting on our independence, we set out below a summary of the fees you have paid us in the year ended 31 March 2020.

Description	Final Fee 2019/20 £	Planned Fee 2019/20 £	Final Fee 2018/19 £
<b>Scale fee</b>	TBC	16,235	16,235
Triannual valuation - additional procedures (1)	TBC	2,000-3,000	N/A
Going concern and PBSE assessments and disclosures including EY consultations (2)	TBC	N/A	N/A
<b>Total audit fee</b>	TBC	18,235 - 19,235	16,235

(1) In 2019/20 Isle of Wight Pension Fund is undergoing a triennial valuation. The triennial valuation requires us to perform additional procedures to provide sufficient assurance over the IAS 26 disclosure in the Pension Fund accounts, and the IAS 19 entries in Isle of Wight Council's accounts. Our initial estimate of the fee for the additional work was between £2,000-3,000. We will hold discussions with officers regarding the additional fee.

(2) Due to the impact of Covid-19 we are required to perform additional procedures on the Pension Funds Going Concern assessment and consult with our risk department over the wording of our audit opinion. We will hold discussions with officers regarding the additional fee, and any additional fee will also need to be approved by PSAA.
