Building a better
working world

24 November 2021

Dear Audit Committee Members

We are pleased to attach an audit results report for the forthcoming meeting of the Audit Committee. We will update the Committee at its meeting on 6 December 2021 on further progress to that date and explain the remaining steps for the issue of our final opinion.

The audit is designed to express an opinion on the 2020/21 financial statements and address current statutory and regulatory requirements. This report contains our findings related to the areas of audit emphasis, our views on Isle of Wight Pension Fund's accounting policies and judgements and material internal control findings. Each year sees further enhancements to the level of audit challenge and the quality of evidence required to achieve the robust professional scepticism that society expects. We thank the management team for supporting this process. This report is intended solely for the information and use of the Audit Committee and management. It is not intended to be, and should not be, used by anyone other than these specified parties.

We welcome the opportunity to discuss the contents of this report with you at the Committee meeting on 6 December 2021

Yours faithfully

Helen Thompson

Associate Partner

Public Sector Audit Appointments Ltd (PSAA) issued the "Statement of responsibilities of auditors and audited bodies". It is available from the PSAA website (<https://www.psa.co.uk/audit-quality/statement-of-responsibilities/>). The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The "Terms of Appointment and further guidance (updated April 2018)" issued by the PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and in legislation, and covers matters of practice and procedure which are of a recurring nature.

This report is made solely to the Audit Committee and management of Isle of Wight Pension Fund in accordance with the statement of responsibilities. Our work has been undertaken so that we might state to the Audit Committee, and management of Isle of Wight Pension Fund those matters we are required to state to them in this report and for no other purpose. To the fullest extent permitted by law we do not accept or assume responsibility to anyone other than the Audit Committee and management of Isle of Wight Pension Fund for this report or for the opinions we have formed. It should not be provided to any third-party without our prior written consent.

01 Executive Summary

Executive Summary

Scope update

In our audit planning report presented to the 5 March 2021 Audit Committee meeting, we provided you with an overview of our audit scope and approach for the audit of the financial statements. We carried out our audit in accordance with this plan with the following updates.

Changes in materiality

We updated our planning materiality assessment using the draft financial statements and have also reconsidered our risk assessment.

	Planning Materiality	Performance Materiality	Audit Differences
	Our planning materiality represents 1% of the Fund's net assets, consistent year on year.	Performance materiality represents 75% of planning materiality and is the top of our range, consistent year on year.	We will report all uncorrected misstatements relating to the primary statements (net asset statement and fund account) greater than 5% of planning materiality.
Planned	£5.62 million	£4.21 million	£0.28 million
Final	£6.95 million	£5.22 million	£0.35 million

Auditing accounting estimates

A revised auditing standard has been issued for the audit of accounting estimates. The revised standard requires auditors to consider inherent risks associated with the production of accounting estimates. These could relate, for example, to the complexity of the method applied, subjectivity in the choice of data or assumptions or a high degree of estimation uncertainty. As part of this, auditors now consider risk on a spectrum (from low to high inherent risk) rather than a simplified classification of whether or not there is a significant risk. At the same time, we may see the number of significant risks we report for accounting estimates to increase as a result of the revised guidance in this area. The changes to the standard may affect the nature and extent of information requested and will probably increase the level of audit work required. As well as the valuation of level 3 investments, which we have treated as areas of audit focus in our approach.

Executive Summary

Status of the audit

Our audit work in respect of the Fund opinion is substantially complete. The following items relating to the completion of our audit procedures were outstanding at the date of this report.

- ▶ Update of our subsequent events procedures to the date of our opinion
- ▶ Receipt of a signed letter of management representation
- ▶ We must give an opinion on the consistency of the financial and non-financial information in the Annual report 2020/21 with the audited financial statements. Management provided us with the completed annual report on 26th November. We will report verbally on the completion of this consistency check at the Audit Committee

Audit differences

At the date of this report there are no unadjusted or adjusted audit differences which require your attention.

Executive Summary

Areas of audit focus

Our audit plan identified significant risks and areas of focus for our audit of the Fund's financial statements. We summarise below our latest findings. This report sets out our observations and status in relation to these areas, including our views on areas which might be conservative and areas where there is potential risk and exposure. Our consideration of these matters and others identified during the period is summarised in the "Areas of Audit Focus" section of this report.

Fraud risks	Findings & conclusions
Misstatements due to fraud or error	<p>We carried out standard procedures to address fraud risks as set out in our audit plan, including identifying risks, considering controls and their effectiveness, testing journal entries and looking at estimates for evidence of management bias. Using data analytics is central to our approach.</p> <p>we have completed our work in this area and have no matters to bring to your attention.</p>
Risk of manipulation of Investment income and valuation.	<p>We performed a reconciliation between the fund managers reports and the custodian reports. We also performed specific journal entry testing in response to this risk.</p> <p>we have completed our work in this area and have no matters to bring to your attention.</p>

Significant risk	Findings & conclusions
Valuation of complex investments (Level 3 Fair Value hierarchy)	<p>We undertook additional procedures, as described more fully in Section 2 of this report, to gain assurance over the year-end valuation of the Fund's Private Debt investment.</p> <p>we have completed our work in this area and have no matters to bring to your attention.</p>

Areas of audit focus	Findings & conclusions
Disclosure on Going Concern	<p>We obtained managements going concern assessment and the adequacy of the disclosures in the financial statements.</p> <p>we have completed our work in this area and have no matters to bring to your attention.</p>

Executive Summary

Control observations

We have not identified any significant deficiencies in the design or operation of an internal control that might result in a material misstatement in your financial statements and which is unknown to you.

Independence

Please refer to Section 7 for our update on Independence.

02

Areas of Audit Focus

Areas of Audit Focus

Significant risk

Misstatements due to fraud or error and the risk of manipulation of Investment income and valuation.

What is the risk?

The financial statements as a whole are not free of material misstatements whether caused by fraud or error.

As identified in ISA (UK and Ireland) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. We identify and respond to this fraud risk on every audit engagement.

What judgements are we focused on?

The risk of management override at the Fund is mainly through the possibility that management could override controls and manipulate in-year financial transactions which intend to adjust the entity's reported Fund Account.

This could be done through manipulation of estimates including investment valuation, or through journals amending the values in the production of the financial statements from those provided by the custodian or fund managers.

What did we do?

- We enquired of management about risks of fraud and the controls put in place to address those risks.
- We gained an understanding of the oversight given by those charged with governance of management's processes over fraud.
- We tested the appropriateness of journal entries recorded in the general ledger and other adjustments made in preparing the financial statements;
- We reviewed accounting estimates for evidence of management bias; and
- We evaluated the business rationale for any significant unusual transactions
- We utilised our data analytics capabilities to assist with our work, including journal entry testing. We assessed journal entries for evidence of management bias and evaluate for business rationale.

What are our conclusions?

We have not identified any material weaknesses in controls or evidence of material management override.

We have not identified any instances of inappropriate judgements being applied.

Our journal testing did not identify any journal entries without a valid business purpose.

We did not identify any other transactions during our audit which appeared unusual or outside Isle of Wight Pension Fund's normal course of business.

We identified no unexplained differences between the fund's investment values provided by the custodian or fund managers, to those presented in the financial statements.

Areas of Audit Focus

Significant risk

Valuation of complex Investments (Level 3 Fair Value hierarchy)

What is the risk?

Investments at Level 3 are those where at least one input that could have a significant effect on the asset's valuation is not based on observable market data.

Significant judgements are made by the investment managers or administrators to value these investments whose prices are not publicly available. The material nature of Investments means that any error in judgement could result in a material valuation error.

Market volatility means such judgments can quickly become outdated, especially when there is a significant time period between the latest available audited information and the fund year end. Such variations could have a material impact on the financial statements.

What judgements are we focused on?

The judgements we are focussed on are the date of the data and prices used when not information not publicly available. For these we have performed analytical procedures and obtained third party confirmations to verify.

What did we do?

We:

- ▶ reviewed the latest available audited accounts for the relevant funds and ensuring there are no matters arising that highlight weaknesses in the fund's valuation;
- ▶ where the latest audited accounts were not as at 31 March 2021, we performed analytical procedures and other procedures to assess the valuation for reasonableness against our own expectations; and
- ▶ tested that accounting entries were correctly processed in the financial statements.

What are our conclusions?

We have completed our testing on the level 3 investment.

The private debt fund last audited financial statements were at 31 December 2020. We evaluated those financial statements to gain assurance that:

- The audit report was not qualified or otherwise modified.
- The audit report did not contained material uncertainties in respect of going concern and that there were no other matters emphasised that would impact valuation.
- The audit report was issued by a reputable auditor.

To gain assurance over the valuation of level 3 investments at the Net Asset Statement date of 31 March 2021, we

- Agreed the pension fund investment in Q4 to bank receipt
- Performed an analytical review on the movement to the balance sheet date

Areas of Audit Focus

What is the risk/area of focus?	What did we do?
<p>Disclosures on going concern</p> <p>There is a presumption that the Pension Fund will continue as a going concern for the foreseeable future. However, the Fund is required to carry out a going concern assessment that is proportionate to the risks it faces.</p> <p>In light of the continued impact of Covid-19, there is a need for the Pension Fund to ensure its going concern assessment, including its cashflow forecast, is comprehensive.</p> <p>The Fund is then required to ensure that its going concern disclosure within the statement of accounts adequately reflects its going concern assessment and in particular highlights any uncertainties it has identified.</p> <p>Given the available levels of liquid investment assets, we do not consider there to be a risk to the Fund's going concern status. We do consider the unpredictability of the current environment to give rise to a risk that the Pension Fund may not appropriately disclose the key factors relating to going concern, consistent with managements assessment with particular reference to Covid-19</p>	<p>We have:</p> <ul style="list-style-type: none">▶ Assessed the adequacy of disclosures required in 2020/21;▶ Obtain management's going concern assessment and reviewed for any evidence of bias and consistency with the accounts;▶ Reviewed the financial modelling and forecasts prepared by the Pension Fund;▶ Ensured that an appropriate going concern disclosure has been made within the financial statements; <p>Conclusion: We have completed our review of the management assessment and proposed disclosure. We asked management to include further detail on the going concern period within the disclosure, but have no further issues to bring to your attention</p>

03 Audit Report

Audit Report

Draft audit report

Our opinion on the financial statements

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ISLE OF WIGHT PENSION FUND

Opinion

We have audited the pension fund financial statements for the year ended 31 March 2021 under the Local Audit and Accountability Act 2014. The pension fund financial statements comprise the Fund Account, the Net Assets Statement and the related notes 1 to 29. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21.

In our opinion the pension fund financial statements:

- give a true and fair view of the financial transactions of the pension fund during the year ended 31 March 2021 and the amount and disposition of the fund's assets and liabilities as at 31 March 2021; and
- have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the pension fund in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and the Comptroller and Auditor General's AGN01, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Director of Finance and Section 151 Officer's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the authority's ability to continue as a going concern for a period of 12 months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Director of Finance and Section 151 Officer with respect to going concern are described in the relevant sections of this report. However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the authority's ability to continue as a going concern.

Other information

The other information comprises the information included in the Statement of Accounts 2020/21, other than the financial statements and our auditor's report thereon. The Director of Finance and Section 151 Officer is responsible for the other information contained within the Statement of Accounts 2020/21.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we report by exception

We report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make written recommendations to the audited body under Section 24 of the Local Audit and Accountability Act 2014;

Audit Report

Draft audit report

Our opinion on the financial statements

- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014;
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014; or
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects.

Responsibility of the Director of Finance and Section 151 Officer

As explained more fully in the Statement of the Director of Finance and Section 151 Officer's Responsibilities set out on page 5, the Director of Finance and Section 151 Officers is responsible for the preparation of the Authority's Statement of Accounts, which includes the pension fund financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21, and for being satisfied that they give a true and fair view and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Director of Finance and Section 151 Officer is responsible for assessing the Pension Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Pension Fund either intends to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect irregularities, including fraud. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below. However, the primary responsibility for the prevention and detection of fraud rests with both those charged with governance of the entity and management.

We obtained an understanding of the legal and regulatory frameworks that are applicable to the Pension Fund and determined that the most significant are the Local Government Pension Scheme Regulations 2013 (as amended), and the Public Service Pensions Act 2013.

We understood how Isle of Wight Pension Fund is complying with those frameworks by understanding the incentive, opportunities and motives for non-compliance, including inquiring of management, head of internal audit, and those charged with governance and obtaining and reading documentation relating to the procedures in place to identify, evaluate and comply with laws and regulations, and whether they are aware of instances of non-compliance. We corroborated this through our reading of the Pension Board minutes and other information. Based on this understanding we designed our audit procedures to identify non-compliance with such laws and regulations. Our procedures had a focus on compliance with the accounting framework through obtaining sufficient audit evidence in line with the level of risk identified and with relevant legislation.

Audit Report

Draft audit report

Our opinion on the financial statements

We assessed the susceptibility of the Pension Fund's financial statements to material misstatement, including how fraud might occur by understanding the potential incentives and opportunities for management to manipulate the financial statements, and performed procedures to understand the areas in which this would most likely arise. Based on our risk assessment procedures we identified management override of control to be our fraud risk.

To address our fraud risk we tested the consistency of the investment asset valuation from the independent sources of the custodian and the fund managers to the financial statements. We also assessed journal entries for evidence of management bias and evaluated for business rationale using specific criteria we considered to be relevant to the risk.

In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override. In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments; assessed whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluated the business rationale of any identified significant transactions that were unusual or outside the normal course of business.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the members of Isle of Wight Council as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 and for no other purpose, as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Isle of Wight Council and Isle of Wight Council members as a body, for our audit work, for this report, or for the opinions we have formed.

Helen Thompson (Key Audit Partner)
Ernst & Young LLP (Local Auditor)
Southampton

04 Audit Differences

Audit Differences

In the normal course of any audit, we identify misstatements between amounts we believe should be recorded in the financial statements and the disclosures and amounts actually recorded. These differences are classified as “known” or “judgemental”. Known differences represent items that can be accurately quantified and relate to a definite set of facts or circumstances. Judgemental differences generally involve estimation and relate to facts or circumstances that are uncertain or open to interpretation.

Summary of audit differences

At the date of this report there are no unadjusted or adjusted audit differences which require your attention

05 Other reporting issues

Other reporting issues

Consistency of other information published with the financial statements, including the Annual Governance Statement

We must give an opinion on the consistency of the financial and non-financial information in the Statement of Accounts 2020/21 with the audited pension fund financial statements.

Financial and non-Financial information in the Statement of Accounts 2020/21 was consistent with the audited pension fund financial statements.

In addition, we also perform procedures to ensure the consistency of the pension fund accounts with the version presented in the Pension Fund's Annual Report. Management provided us with the completed annual report on 26th November. We will report verbally on the completion of this consistency check at the Audit Committee

Other powers and duties

We have a duty under the Local Audit and Accountability Act 2014 to consider whether to report on any matter that comes to our attention in the course of the audit, either for the Authority to consider it or to bring it to the attention of the public (i.e. "a report in the public interest"). We also have a duty to make written recommendations to the Authority, copied to the Secretary of State, and take action in accordance with our responsibilities under the Local Audit and Accountability Act 2014. We have had no reason to exercise these duties.

Other matters

As required by ISA (UK&I) 260 and other ISAs specifying communication requirements, we must tell you significant findings from the audit and other matters if they are significant to your oversight of the Fund's financial reporting process. We have no matters to report.

06

Assessment of Control Environment

Assessment of Control Environment

Financial controls

Our responsibilities

It is the responsibility of the Fund to develop and implement systems of internal financial control and to put in place proper arrangements to monitor their adequacy and effectiveness in practice. Our responsibility as your auditor is to consider whether the Fund has put adequate arrangements in place to satisfy itself that the systems of internal financial control are both adequate and effective in practice.

As part of our audit of the financial statements, we obtained an understanding of internal control sufficient to plan our audit and determine the nature, timing and extent of testing performed. As we have adopted a fully substantive approach, we have therefore not tested the operation of controls.

Although our audit was not designed to express an opinion on the effectiveness of internal control we are required to communicate to you significant deficiencies in internal control.

Findings

We have not identified any significant deficiencies in internal control.

07

Independence

Relationships, services and related threats and safeguards

The FRC Ethical Standard requires that we provide details of all relationships between Ernst & Young (EY) and the Fund, and its members and senior management and its affiliates, including all services provided by us and our network to the Fund, its members and senior management and its affiliates, and other services provided to other known connected parties that we consider may reasonably be thought to bear on the our integrity or objectivity, including those that could compromise independence and the related safeguards that are in place and why they address the threats.

There are no relationships from 1 April 2020 to the date of this report which we consider may reasonably be thought to bear on our independence and objectivity.

Services provided by Ernst & Young

The table below sets out a summary of the fees that you have paid to us in the year ended 31 March 2021 in line with the disclosures set out in FRC Ethical Standard and in statute.

As at the date of this report, there are no future services which have been contracted and no written proposal to provide non-audit services has been submitted.

	Final fee 2020/21	Planned fee 2020/21	Final Fee 2019/20
	£	£	£
Scale Fee- Code work (1)	TBC	16,235	16,235
Planned 2019/20 and 2020/21 recurrent fee variation reflecting the underlying level of additional risk at the Fund (see Note 1).	TBC	32,765	-
Total audit fee	TBC	49,000	16,235
Risk based fee variations (see Note 2)	TBC	5,000 to 7,000	15,999
Additional fee for IAS19 assurance work on behalf of admitted bodies & triennial valuation (see Note 3).	TBC	500 to 1,000	3,803
Total audit fee	TBC	54,500 to 57,000	36,037

Note 1 - In order to meet regulatory and compliance audit requirements not present in the market at the time of our most recent bid to PSAA, we undertook additional work at a fee of £32,765 to deliver the audit in 2019/20 which we expected to reoccur in 2020/21 and subsequent years. This additional fee was not agreed by the Director of Finance, although the pressures on fee were recognised. PSAA has determined that 2019/20 fee variations will not be accepted on a recurrent basis. The recurrent fee proposal is therefore not reflected as part of the final fee in either 2019/20 or 2020/21.

Note 2 - The proposed 2019/20 risk based fees had been agreed with the Director of Finance and Support Services and totalled £4,007. PSAA has determined that a total of £15,999 should be paid in respect of the recurrent and non-recurrent fee variations submitted. As set out in Note 1 this amount has been determined on a non-recurrent basis. The proposed fee for 2020/21 is to be confirmed and we will update the Audit Committee in due course.

Note 3 - In 2019/20 we charged £3,803 for IAS 19 assurance work on behalf of admitted bodies and additional work on the 2019 triennial valuation of the Fund relevant to the 2019/20 year. Our proposed fee for IAS 19 assurance work in 2020/21 is in the range of £500 to £1,000. These fees are agreed by the Director of Finance and do not require approval by PSAA.

Other communications

EY Transparency Report 2020

Ernst & Young (EY) has policies and procedures that instil professional values as part of firm culture and ensure that the highest standards of objectivity, independence and integrity are maintained.

Details of the key policies and processes in place within EY for maintaining objectivity and independence can be found in our annual Transparency Report which the firm is required to publish by law. The most recent version of this Report is for the year end 30 June 2020:

[EY UK Transparency Report 2020 | EY UK](#)

Management representation letter

Isle of Wight Pension Fund.

Management Representation Letter

xx September 2021

Helen Thompson
Associate Partner
Ernst & Young LLP
Grosvenor House
Grosvenor Square
Southampton
SO15 2BE

This letter of representations is provided in connection with your audit of the financial statements of Isle of Wight Pension Fund (“the Fund”) for the year ended 31 March 2021. We recognise that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion as to whether the financial statements give a true and fair view of the financial transactions of the Fund during the period from 01 April 2020 to 31 March 2021 and of the amount and disposition of the Fund’s assets and liabilities as at 31 March 2021, other than liabilities to pay pensions and benefits after the end of the period, have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21.

We understand that the purpose of your audit of the Fund’s financial statements is to express an opinion thereon and that your audit was conducted in accordance with International Standards on Auditing (UK), which involves an examination of the accounting system, internal control and related data to the extent you considered necessary in the circumstances, and is not designed to identify - nor necessarily be expected to disclose - all fraud, shortages, errors and other irregularities, should any exist.

Accordingly, we make the following representations, which are true to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

A. Financial Statements and Financial Records

1. We have fulfilled our responsibilities, under the relevant statutory authorities, for the preparation of the financial statements in accordance with the Accounts and Audit Regulations 2015 and CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21.
2. We confirm that the Fund is a Registered Pension Scheme. We are not aware of any reason why the tax status of the scheme should change.
3. We acknowledge, as members of management of the Fund, our responsibility for the fair presentation of the financial statements. We believe the financial statements referred to above give a true and fair view of the financial position and the financial performance of the Fund in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21, and are free of material misstatements, including omissions. We have approved the financial statements.

Management representation letter

4. The significant accounting policies adopted in the preparation of the financial statements are appropriately described in the financial statements.
5. As members of management of the Fund, we believe that the Fund has a system of internal controls adequate to enable the preparation of accurate financial statements in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/2021 that are free from material misstatement, whether due to fraud or error. We have disclosed to you any significant changes in our processes, controls, policies and procedures that we have made to address the effects of the COVID-19 pandemic on our system of internal controls.
6. There are no unadjusted audit differences identified during the current audit and pertaining to the latest period presented.

B. Non-compliance with laws and regulations including fraud

1. We acknowledge that we are responsible for determining that the Fund's activities are conducted in accordance with laws and regulations and that we are responsible for identifying and addressing any non-compliance with applicable laws and regulations, including fraud.
2. We acknowledge that we are responsible for the design, implementation and maintenance of internal controls to prevent and detect fraud.
3. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
4. We have not made any reports to The Pensions Regulator, nor are we aware of any such reports having been made by any of our advisors.
5. There have been no other communications with The Pensions Regulator or other regulatory bodies during the Fund year or subsequently concerning matters of non-compliance with any legal duty.
6. We have no knowledge of any identified or suspected non-compliance with laws or regulations, including fraud that may have affected the Fund (regardless of the source or form and including without limitation, any allegations by "whistleblowers"), including non-compliance matters:
 - ▶ Involving financial improprieties
 - ▶ Related to laws or regulations that have a direct effect on the determination of material amounts and disclosures in the Fund's financial statements
 - ▶ Related to laws and regulations that have an indirect effect on amounts and disclosures in the financial statements, but compliance with which may be fundamental to the operations of the Fund, its ability to continue, or to avoid material penalties
 - ▶ Involving management, or employees who have significant roles in internal control, or others
 - ▶ In relation to any allegations of fraud, suspected fraud or other non-compliance with laws and regulations communicated by employees, former employees, analysts, regulators or others.

C. Information Provided and Completeness of Information and Transactions

1. We have provided you with:
 - ▶ Access to all information of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other matters.
 - ▶ Additional information that you have requested from us for the purpose of the audit.
 - ▶ Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.

Management representation letter

2. You have been informed of all changes to the Fund rules.
3. All material transactions have been recorded in the accounting records and all material transactions, events and conditions are reflected in the financial statements, including those related to the COVID-19 pandemic.
4. We have made available to you all minutes of the meetings of Audit Committee and Pension Fund Committee (or summaries of actions of recent meetings for which minutes have not yet been prepared) held through the period to the most recent meeting on the following [date].
5. We confirm the completeness of information provided regarding the identification of related parties. We have disclosed to you the identity of the Fund's related parties and all related party relationships and transactions of which we are aware, including sales, purchases, loans, transfers of assets, liabilities and services, leasing arrangements, guarantees, non-monetary transactions and transactions for no consideration for the period ended, as well as related balances due to or from such parties at the period end. These transactions have been appropriately accounted for and disclosed in the financial statements.
6. We have disclosed to you, and the Fund has complied with, all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance, including all covenants, conditions or other requirements of all outstanding debt.
7. No transactions have been made which are not in the interests of the Fund members or the Fund during the fund year or subsequently.
8. We believe that the methods, significant assumptions and the data we used in making accounting estimates and related disclosures are appropriate and consistently applied to achieve recognition, measurement and disclosure that is in accordance with CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/2021.
9. From the date of our last management representation letter at 25 November 2020 through the date of this letter we have disclosed to you any unauthorized access to our information technology systems that either occurred or to the best of our knowledge is reasonably likely to have occurred based on our investigation, including of reports submitted to us by third parties (including regulatory agencies, law enforcement agencies and security consultants), to the extent that such unauthorized access to our information technology systems is reasonably likely to have a material impact to the financial statements, in each case or in the aggregate.

D. Liabilities and Contingencies

1. All liabilities and contingencies, including those associated with guarantees, whether written or oral, have been disclosed to you and are appropriately reflected in the financial statements.
2. We have informed you of all outstanding and possible litigation and claims, whether or not they have been discussed with legal counsel.

E. Going Concern

1. Note 2 to the financial statements discloses all the matters of which we are aware that are relevant to the Company's ability to continue as a going concern, including significant conditions and events, our plans for future action, and the feasibility of those plans.

F. Subsequent Events

1. Other than the events described in Note 6 to the financial statements, there have been no events, including events related to the COVID-19 pandemic, subsequent to period end which require adjustment of or disclosure in the financial statements or notes thereto.

Management representation letter

G. Other information

1. We acknowledge our responsibility for the preparation of the other information. The other information comprises the Narrative Report and Annual Governance Statement within the Statement of Accounts, and the Pension Fund Annual Report.
2. We confirm that the content contained within the other information is consistent with the financial statements.

H. Independence

1. We confirm that, under section 27 of the Pensions Act 1995, no members of the management of the Fund of the Scheme is connected with, or is an associate of, Ernst & Young LLP which would render Ernst & Young LLP ineligible to act as auditor to the Scheme.

I. Derivative Financial Instruments

1. We confirm that the Fund has made no direct investment in derivative financial instruments.

J. Pooling investments, including the use of collective investment vehicles and shared services

1. We confirm that all investments in pooling arrangements, including the use of collective investment vehicles and shared services, meet the criteria set out in the November 2015 investment reform and criteria guidance and that the requirements of the LGPS Management and Investment of Funds Regulations 2016 in respect of these investments has been followed.

K. Actuarial valuation

1. The latest report of the actuary Aon Hewitt as at 31 March 2020 has been provided to you. To the best of our knowledge and belief we confirm that the information supplied by us to the actuary was true and that no significant information was omitted which may have a bearing on his report.

L. Estimates

1. We confirm that the significant judgments made in making the Level 3 investments valuations estimates (“the accounting estimates”) have taken into account all relevant information and the effects of the COVID-19 pandemic of which we are aware.
2. We believe that the selection or application of the methods, assumptions and data used by us have been consistently and appropriately applied or used in making the accounting estimates.
3. We confirm that the significant assumptions used in making the accounting estimates appropriately reflect our intent and ability to carry out the specific courses of action on behalf of the entity.
4. We confirm that the disclosures made in the financial statements with respect to the accounting estimates, including those describing estimation uncertainty and the effects of the COVID-19 pandemic, are complete and are reasonable in the context of CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21.
5. We confirm that appropriate specialized skills or expertise has been applied in making the accounting estimates.
6. We confirm that no adjustments are required to the accounting estimates and disclosures in the financial statements, including due to the COVID-19 pandemic.
