

Corporate Scrutiny Committee – 12 April 2022

Written question from Stuart Ferris of Freshwater to the Corporate Scrutiny Committee

Why is the Council pushing through the Island Plan when national guidance is changing this Summer, surely it is common sense to await the outcome of this white paper before publishing something that will have an effect on us for the next 15 years?

Response

Please see response to PQ13/22 (change in national planning guidance/policy).
