

Corporate Scrutiny Committee – 12 April 2022

Written question from Mike Briscoe of Freshwater to the Corporate Scrutiny Committee

With regards to the updated version of the Draft Island Plan, and in particular how it affects the Parish of Freshwater, who is responsible for moving the settlement boundary and why is this being done when residents and the Parish Council have continuously vehemently objected to this proposal?

Response

Please see first paragraph of response to PQ14/22 (the suggestion that views have been ignored), response to PQ11/22 (settlement boundary process) and second paragraph of response to PQ16/22 (consultation process).
