

**Corporate Scrutiny Committee – 12 April 2022**

**Written question from Jacqueline Field of Freshwater to the Corporate Scrutiny Committee**

Can you please explain why Council seems bent on rushing through the plan in advance of anticipated new national planning guidelines, absent much of the required job opportunities, educational facilities and infrastructure, and without seeking 'special status' consideration for the Island in meeting national housing targets?

***Response***

Please see response to PQ13/22 (impact of any national guidance/policy changes).
