Re-introduction of long stay parking charges at Maresfield Road car park, East Cowes

The Aims, Objectives and Expected Outcomes:

Re-introduction of long stay parking charges at Maresfield Road car park requires a Parking Places Order and accordingly was subject to a statutory consultation period. The implementation of this change is designed to assist the management of the kerbside environment in this location.

It will also enable the service to manage and enforce parking activities at the location.

Scope of the Equality Impact Assessment

Officers have reviewed feedback on previous Parking Places Orders (PPOs), in particular the 2016 and 2020 PPOs where new chargeable areas were added; in common with the current proposal these raised a variety of issues such as: -

- General objections to introducing charges into currently free parking areas
- Proposed changes affecting residents, local businesses and the economy

Analysis and assessment

The consultation on the order has been undertaken and in total 9 representations with objections were received, one of which contained a Petition with 75 signatures. However, after reviewing the proposal it is not considered to have an adverse impact on any protected characteristics.

The PPO will see the introduction of standard long stay parking charges at Maresfield Road, East Cowes which consistent across the island.

The proposals do not have the potential to cause unlawful discrimination.

Recommendations

As it is not considered there will be any negative impacts it is recommended to proceed with the PPO subject to the consultation process and responding to comments received.
