**Subject:** Local Government Pension Scheme (LGPS) - Employer Role Training

Dear Scheme Employer

The Local Government Association are running further employer role training sessions and there two online sessions coming up for September. Please use the links below if you would further information:

- [Employer role training - 13 September 2022 Online](#)
- [Employer role training - 20 September 2022 Online](#)

As mentioned in previous employer role training session emails, we would ask that you notify us if you attend one of these sessions. We believe that employer understanding of their role within the LGPS is important so we will be reporting the level of engagement to the Pension Fund Committee.
